

COMMUNICATIONS EXPERT GROUP MEETING

Tuesday 4 – Wednesday 5 February 2025

Flamanville EPR, EDF, France

The 2025 Communications Expert Group Meeting is organised by WANO Paris Centre. The hosting member company is EDF, France, and the meeting will take place at Flamanville EPR, France.

Topics

Participants are welcome to offer their presentations with the aim to stimulate discussion.

Objectives

Participants are encouraged to come to the meeting prepared to share their challenges and good practices/positive experiences from their own organisations.

Through sharing information, the objective should be that each delegate brings back to their own organisation at least one improvement technique or practice.

Arrival and Departure

Participants must arrive at the hotel by Monday 3 February, latest.

The meeting is going to end at 11:30 on Wednesday, thus the earliest time to depart is 11:30.

Please note that there will be a transfer from CIP to Cherbourg train station organize at 12:45, after lunch.

When registering, please provide your travel itinerary. Further information on page 4. When in doubt, please contact [Marina Grlić](#).
