

SOER DAVIS BESSE WORKSHOP

28th – 29th of September 2020, Paris La Défense, FRANCE

Events and Peer Review data continue to identify longstanding issues that have not been adequately addressed in implementing the recommendations of the SOER 2003-2 “Reactor Pressure Vessel Head Degradation at Davis Besse” : difficulties to use operating experience, lack of effectiveness in early detection of plant problems, in decision making for effective identification of abnormal situations, difficulties in performing the “Case studies”, Absence of self-assessment of safety culture.

WANO PC decided to organise this workshop with the main objective to help NPPs to improve the results of implementation of the recommendations of the SOER 2003-2 “Reactor Pressure Vessel Head Degradation at Davis Besse” mainly the ones trended as more problematic after the Peer reviews.

Programme

The methodology for this workshop will be an interactive presentation by WANO Paris Centre encouraging the participants to ask questions and solve doubts.

Each recommendation of the SOER will be explained in details with examples of findings from the Peer reviews of WANO PC. The speakers will explain what kind of evidences every plant has to demonstrate in the SOER recommendation implementation and what are the expected performance results.

Representatives from NPPs that have already reached the level SAT in implementing the recommendation will present their experience and concrete examples of performed actions.

Objectives of the Workshop

- Provide suggestions /recommendations.
- Explain the origin and the reason of this SOER recommendations
- Help participants to understand the expectations from each recommendation and how to implement them in a better way.
- Share experiences and good practices, amongst WANO members, to achieve the level SAT.

Target Group

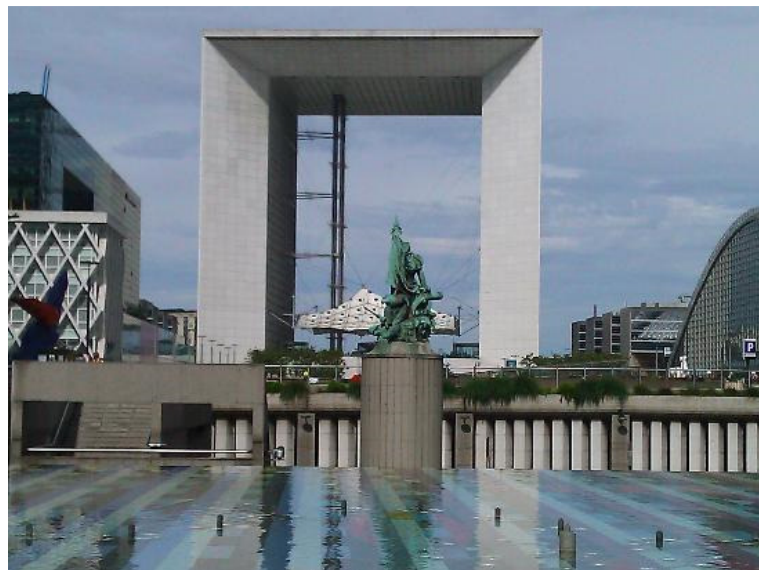

The Workshop will provide a platform for experience exchange and networking among those station or corporate engineers, who are responsible for effective implementation of the learning. The attendees should be the SOER owners from the different NPPs and Corporate.

Arrival and Departure

The workshop will start on Monday 28th of September at 08:30.

A get-together meal will take place on Monday evening (28th September) from 19:00 to 21.00.

The workshop is scheduled to end at 17:00 on Tuesday 29th September, which should be the earliest time to depart.

INFORMATION

28th – 29th of September 2020, at Paris La Defense

Workshop language

The workshop language will be **English**.

Register on-line

Registrations should be completed online before **29th July 2020** at the following web address:

www.wanopariscentreregistrations.com.

A confirmation letter will be sent to each participant following their registration. The number of participants is limited to **30**.

Venue

The seminar will be held at:

Hotel **SOFITEL Paris – La Défense**

34 cours Michelet
92060 Paris La Défense
FRANCE

Workshop package

There is no workshop package fee. WANO Paris centre will cover the costs for the all documentation, refreshments, lunches and 1 evening meal.

Accompanying guests

No programme has been arranged for any accompanying guests.
