

The two activities are organised by WANO Paris Centre in collaboration with Eletronuclear, Brazil.

1. ePM Workshop

FIRST WAVE EXPERIENCES AND WAY FORWARD

Topics and Objectives

This workshop will provide a platform for sharing of first experiences of the ePM program. The Workshop is relevant for all WANO members, but is in particular designed considering stations already in the ePM program or in a stage of active preparation. Among others, the workshop will cover: Testimonies from first ePM stations, Update from WANO about the ePM process, activities and rollout, Organisational Diagnosis, ePM training, the concepts of Trajectory and GDAR (Gaps Drivers Actions Results). The number of participants in this part is limited to 30.
