

The two activities are organised by WANO Paris Centre in collaboration with MVM PAKs, Budapest Hungary.

1. Staying on Top Workshop

Topics and Objectives

This workshop will provide a platform for sharing the experiences in the Staying on Top (INPO 19-003) values. The Workshop is relevant for all WANO members to advance in a culture of continuous improvement. Even IAEA proposed this guide to help the NPP industry overcome the challenges posed by a changing global business climate. INPO defined 5 areas to prevent declining and improve the NPP skills: self-Awareness and Self-correction, Setting Long-Term Direction, Leadership and talent Development, Excellence standards and Continuous learning.
